ORDERING DEADLINE

All orders must be submitted on-line by: **AUGUST 30, 2019**

BROILER PICK-UP

To ensure the healthiest birds possible for the exhibitors we are changing the pick-up process of the birds. For the State Fair birds, there will be one location in North Louisiana at the **Lincoln Parish AgCenter Office** and then one pick-up location at the **Dewitt Livestock Facility in Alexandria**. All broilers must be picked up from one of these two locations on September 12, 2019. Birds will be ready for pickup at the Lincoln Parish location by 7:30 AM and the Alexandria location by 10:00 AM.

With a central pick-up location process, birds will be in transit for a maximum of 2 hours; then be unloaded into a safe, calm, temperature-controlled space for pick-up. With the former delivery practice (depending on location across the state), some birds were in a transportation van anywhere from 1 hour to 6 hours. With agents or exhibitors picking up birds in a central location, you now have significant control of how your birds are handled and cared for quicker. We encourage working with volunteers and those in your surrounding areas to carpool for pick-up.

BROILER PRICE

The broiler chick price will be **\$.75 per chick**. This per chick fee covers the cost of bird, delivery, and delivery supplies.
